Important Information Concerning Your Personal Injury Protection Insurance

Automobile Liability Insurance Bodily Injury-Coverage AA, and Property Damage-Coverage BB

These coverages pay for all damages that an insured person is legally obligated to pay because of bodily injury or property damage. Your policy also protects an insured person from claims for accidents arising out of the ownership, maintenance, use, loading or unloading of an insured auto. Bodily Injury Liability-Coverage AA is an optional coverage that can be added to your policy for an additional premium.

This coverage is subject to the exclusions, terms and conditions described in the policy.

- Under **Exclusions—What Is Not Covered**, we have made several changes. In some cases, we have revised exclusions that were already a part of your policy; in other cases, we have renumbered exclusions and added new exclusions. All item numbers below refer to the items as reflected in the revised policy forms:
- Item 1 is added. It excludes coverage while the insured auto is used by any person as an employee of the United States government. This exclusion applies only if the provisions of the Federal Tort Claims Act, as amended, require the Attorney General of the United States to defend that person in any civil action or proceeding.
- Item 2 - we revised this exclusion to state that we do not cover loss arising out of the use of an insured auto to carry persons or property for any form of compensation. This item now uses the defined term "shared-expense car pool."
- Item 3 - we added an exclusion which specifically excludes coverage for bodily injury or property damage arising out of the use of your insured auto while it is rented to, leased to, or loaned for a charge to, any person or organization by or with the permission of an insured person, with some exceptions.
- Item 4 - we added "leasing" to the list of examples of excluded motor vehicle business operations.
- Item 6 - with this item, we exclude coverage for bodily injury or property damage arising out of the ownership, maintenance or use of a motor vehicle with less than four wheels.
- Item 11 has been revised this exclusion to more broadly state that loss which would also be covered under nuclear energy liability insurance is excluded.
- Item 13 - we added a new exclusion which specifically excludes coverage for bodily injury or property damage

arising out of the use of a trailer or travel-trailer that is not attached to an auto which is an insured auto. Note: The exclusion does not apply if the trailer or travel-trailer suddenly and accidentally becomes detached from the auto immediately before the accident.

- Item 14 - we added a new exclusion which specifically excludes coverage for any liability an insured person assumes arising out of any contract or agreement other than a rental or leasing agreement.
- Item 15 - we added a new exclusion which specifically excludes coverage for bodily injury or property damage arising out of the use of a trailer or travel-trailer while it is parked for use as a residence, or as an office, display space, or storage space.

Automobile Medical Payments-Coverage CC

If a premium is shown on the Policy Declarations for Automobile Medical Payments-Coverage CC, Allstate will pay to or on behalf of an insured person for medically necessary treatment actually provided to the insured person within 3 years of a covered auto accident because of bodily injury. Payments will be made only: when bodily injury is caused by a motor vehicle accident; for medical, surgical, X ray, dental, and rehabilitative services, including prosthetic devices, and ambulance, hospital and nursing services; which are medically necessary; only if the insured person receives initial services and care within 14 days after the motor vehicle accident. The methodology for determining the amount we will pay for such expenses shall be pursuant to the fee schedule limitations under the Florida Motor Vehicle No-Fault Law, and shall be limited to the schedule of maximum charges set forth in the policy.

Where a medical provider has contracted with an organization or network to accept payment for services in an amount that is less than the fee schedule or other limitations established by the Florida Motor Vehicle No-Fault Law; and Allstate contracted with that organization or network or one of its affiliates, either directly or through one or more medical bill review companies or third-party administrators, to apply and accept such contractually agreed amounts; then Allstate will pay that provider's bills at the contractually agreed rate.

Automobile Medical Payments provides reimbursement only for initial services and care: (i) that are lawfully provided, ordered or prescribed by a licensed physician, dentist or chiropractic physician; or (ii) that are provided in a hospital or in a facility that owns, or is wholly owned by, a hospital; or (iii) provided by a licensed person or entity which provides emergency transportation and treatment.

Upon referral from a provider described in (i) through (iii) above, follow up services and care consistent with the

underlying medical diagnosis rendered may be provided, supervised, ordered or prescribed only by a licensed physician, chiropractic physician or dentist, or to the extent permitted by applicable law and under the supervision of such physician, osteopathic physician, chiropractic physician or dentist, by a licensed physician assistant or a licensed advanced registered nurse practitioner.

Follow up services and care may also be provided by any of the following:

1. a licensed hospital or ambulatory surgical center;
2. an entity wholly owned by one or more licensed physicians, chiropractic physicians, or dentists; or by such practitioners and the spouse, parent, child, or sibling of such practitioners;
3. an entity that owns or is wholly owned, directly or indirectly, by a hospital or hospitals;
4. a licensed physical therapist, but only upon referral from: a licensed physician, dentist, or chiropractic physician; a licensed physician assistant, to the extent permitted by law and under the supervision of a licensed physician, dentist, or chiropractic physician; a licensed advanced registered nurse practitioner, to the extent permitted by law and under the supervision of a licensed physician, dentist, or chiropractic physician; or
5. a licensed health care clinic which is accredited by the Joint Commission on Accreditation of Healthcare Organizations, the American Osteopathic Association, the Commission on Accreditation of Rehabilitation Facilities, or the Accreditation Association for Ambulatory Health Care, Inc., or:
 - a) has a licensed medical director;
 - b) has been continuously licensed for more than 3 years or is a publicly traded corporation; and
 - c) provides at least four of the following medical specialties: general medicine; radiography; orthopedic medicine; physical medicine; physical therapy; physical rehabilitation; prescribing or dispensing outpatient prescription medication; or laboratory services.

Automobile Medical Payments coverage does not include massage or acupuncture.

We will not pay for medical services, supplies or care that is not reimbursable under Medicare or workers' compensation law. If a healthcare provider takes action against the insured person to recover for services billed and not paid, we will defend and, if necessary, indemnify them up to the policy limits.

Notwithstanding the above limitation, we will pay: expenses not paid under Part III of the policy because of the eighty

percent limitation for medical expense benefits; expenses not paid under Part III of the policy or under any no-fault benefits in any other motor vehicle policy because all available medical expense benefits have been exhausted; or expenses for bodily injury sustained outside the state of Florida through being struck while in, on, getting into or out of, or struck while a pedestrian by a motor vehicle.

There is no coverage under Automobile Medical Payments for mileage costs for use of a personal vehicle.

This coverage is subject to the exclusions, terms and conditions described in the policy.

- Under **Exclusions—What Is Not Covered**, we have made several changes. In some cases, we have revised exclusions that were already a part of your policy; in other cases, we have renumbered exclusions and added new exclusions. All item numbers below refer to the items as reflected in the revised policy forms:
 - Item 2 - we added wording to indicate that the exclusion applies to you or a resident relative while in, on, getting into or out of, or getting on or off of, an auto available or furnished for the regular use of you or a resident relative, which is not insured for this coverage.
 - Item 4 - we revised this exclusion to state that we do not cover bodily injury to any person arising out of the use of an insured auto while used by an insured person to carry persons or property for any form of compensation, or the use of any auto an insured person is driving while available for hire by the public. The exclusion does not apply to shared-expense car pools.
 - Item 5 is added. It excludes coverage for bodily injury to any person arising out of the use of your insured auto while it is rented to, leased to, or loaned for a charge to, any person or organization by or with the permission of an insured person, with some exceptions.
 - Item 6 is added. It excludes coverage for bodily injury to any person arising out of the ownership, maintenance, or use of a motor vehicle with less than four wheels.
 - Item 7 - we added "leasing" to the list of examples of motor vehicle business operations. We have also eliminated certain language in light of the changes we made to item 4 (see above) and revised language pertaining to private chauffeurs and domestic servants while using an insured auto.
 - Item 8 - we revised the exclusion pertaining to loss resulting from acts of war, insurrection, rebellion or

revolution, providing an expanded list of excluded causes of loss.

- Item 10 - we revised this exclusion to provide that we will reimburse the U.S. government when an insured receives medical treatment for the same cause of loss through a facility of the uniformed services.
- Item 11 - we added a new exclusion which specifically excludes coverage for bodily injury to any person while in, on, getting into or out of, or getting on or off of, a trailer or travel-trailer while it is parked for use as a residence, or as an office, display space, or storage space.
- Item 12 - we added a new exclusion which specifically excludes coverage for bodily injury to any person while in, on, getting into or out of, or getting on or off of, a trailer or travel-trailer that is not attached to an auto which is an insured auto. Note: The exclusion does not apply if the trailer or travel-trailer suddenly and accidentally becomes detached from the auto immediately before the accident.

Personal Injury Protection—Coverage VA

Personal Injury Protection pays for certain medical expenses, income loss, loss of services and death benefits for bodily harm, sickness, disease or death if it is the result of an accident arising from the ownership, maintenance or use of a "motor vehicle" (as defined under this coverage).

For medical expenses, Allstate will pay eighty percent of reasonable expenses; for medical, surgical, X-ray, dental, and rehabilitative services, including prosthetic devices, and ambulance, hospital and nursing services; which are medically necessary; only if the injured person receives initial services and care within 14 days after the motor vehicle accident. The methodology for determining the amount we will pay for such expenses shall, pursuant to the Florida Motor Vehicle No-Fault Law, be limited to eighty percent of the schedule of maximum charges set forth in the policy AND SHALL BE SUBJECT TO ANY AND ALL LIMITATIONS, AUTHORIZED BY SECTION 627.736 OF THE FLORIDA STATUTES, OR ANY OTHER PROVISIONS OF THE FLORIDA MOTOR VEHICLE NO-FAULT LAW, AS ENACTED, AMENDED OR OTHERWISE CONTINUED IN THE LAW, INCLUDING, BUT NOT LIMITED TO, ALL FEE SCHEDULES.

Where a medical provider has contracted with an organization or network to accept payment for services in an amount that is less than the fee schedule or other limitations established by the Florida Motor Vehicle No-Fault Law; and Allstate contracted with that organization or network or one of its affiliates, either directly or through one or more medical bill review companies or third-party administrators, to apply and

Uninsured Motorists Insurance-Coverage ST

Uninsured Motorists Insurance is provided if a premium is shown on the Policy Declarations for this coverage. Under this coverage, Allstate will pay only those damages which an insured person is legally entitled to recover from the owner or operator of an uninsured auto because of bodily injury sustained by an insured person caused by an accident and arising out of the ownership, maintenance or use of an uninsured auto. We will not pay any punitive or exemplary damages under this coverage. In addition, in order for us to pay for pain, suffering, mental anguish or inconvenience, the injury or disease must be described in one or more of paragraphs (a) through (d) of Florida Statute 627.737(2).

This coverage is subject to the exclusions, terms and conditions described in the policy.

Here are some of the hazards covered: glass breakage, missiles, falling objects, fire, theft or larceny, explosion, earthquake, windstorm, hail, water, flood, malicious mischief or vandalism, riot, civil commotion, and collision with a bird or animal.

- Under **Exclusions—What Is Not Covered**, we have amended the introductory language to say “We will not cover” losses described in the exclusions that follow. Additionally, in several of the exclusions that follow, we have used the broader term “loss” instead of words that might be interpreted more narrowly (such as “property damage,” “any damage,” etc.). Note: All item numbers below refer to the items as reflected in the revised policy forms:
 - Item 2 - we revised this exclusion to state that we will not cover loss arising out of the use of an insured auto while used to carry persons or property for any form of compensation, or the use of any auto an insured person is driving while available for hire by the public. This exclusion does not apply to shared-expense car pools.
 - Item 3 - we added “leasing” to the list of examples of excluded motor vehicle business operations.
 - Item 4 - we revised the exclusion pertaining to loss resulting from acts of war, insurrection, rebellion or revolution, providing an expanded list of excluded causes of loss.
 - Item 5 - we revised the radioactive contamination exclusion, providing an expanded listing of nuclear, radiation and radioactive contamination losses not covered.
 - Item 6 - we will not cover loss caused by and confined to wear and tear, freezing, mechanical or electrical breakdown, or mold, fungus, or bacteria. We have also rewritten the list of losses to which the exclusion will not apply.
 - Item 9 - we will not cover loss to any personal electronic devices or recording media. The exclusion will not apply when you have purchased Portable Electronics and Media Coverage and the loss is covered under that coverage.
 - Item 11 - we will not cover loss to appliances, furniture, equipment and accessories in or on a travel-trailer. The exclusion will not apply when you have purchased Contents Coverage and the loss to the item is covered under that coverage.

The Cancellation And Non-Renewal Provision of Your Auto Policy

During the first two months following the date of issuance or renewal, you may not cancel your policy except:

- upon total destruction of the insured auto;
- upon transfer of ownership of the insured auto;
- after the purchase of another policy or binder covering the auto which was covered under your policy; or
- in the event of a military assignment.

If your original policy has been in effect for 60 days or less, we may cancel for reasons other than non-payment of premium. However, during the first 60 days of your original policy, we may cancel for non-payment of premium if the reason for the cancellation is the issuance of a check, draft, electronic transaction, credit card or any remittance other than cash for the premium which is dishonored upon presentation, or honored and later reversed or dishonored, for any reason.

If you make an initial premium payment on your original policy that is dishonored upon presentation, or honored and later reversed or dishonored for any reason, we may deny any claim and we may void this entire policy, including any and all coverages hereunder. If we void the policy from its inception we will not be liable for any claims or damages that would have otherwise been covered in the absence of the non-payment of premium.

After your original or renewal policy has been in effect for 60 days, you may cancel your policy by notifying us what future date you wish to stop coverage.

After your original policy has been in effect for 60 days, or if it is a renewal policy, Allstate will not cancel your coverage during the policy period unless:

- the premium is not paid when due;

Deductibles

Deductibles may apply under some of the coverages listed under Protection Against Loss To The Auto. Please check the enclosed Policy Declarations for a listing of any of the above coverages your policy provides, and for information about any applicable deductibles.

Additional Optional Coverages Allstate Offers

The following is a list of the optional coverages which can be added to your policy if you choose to do so. Please note that adding any of these optional coverages to your policy requires an additional premium. Your current policy provides only those optional coverages which are indicated on your Policy Declarations. Please note that certain exclusions and limitations may apply to each specific coverage. Deductibles may also apply to these coverages.

- there is material misrepresentation, fraud or concealment of material facts;
- you or any member of your household has had a driver's license suspended or revoked; or
- we have mailed you notice within the first 60 days that the original policy has been in effect that we do not intend to continue the policy.

We may cancel the policy for non-payment of premium when due if the reason for cancellation is the issuance of a check, draft, electronic transaction, credit card or any remittance other than cash for the premium which is dishonored upon presentation, or honored and later reversed or dishonored for any reason.

After your original policy has been in effect for 60 days, or if it is a renewal policy, we will give you notice as follows:

- If we cancel because you did not pay the premium, we will give you at least ten days notice.
- If we cancel for any reason other than non-payment of premium, we will give you at least 45 days notice.

Upon expiration of the policy period, we may transfer the policy to another insurer under the same ownership or management as Allstate. We will mail you notice at least 45 days before the end of the policy period of our intent to transfer the policy and of the premium, and the specific reasons for any increase in the premium.

If we do not intend to continue the policy beyond the current policy period, we will give you notice at least 45 days before the end of the policy period.

We will not refuse to renew or continue this policy solely because:

- You were convicted of one or more traffic violations which did not involve an accident or cause revocation or suspension of your driving privilege unless you have been convicted of, or plead guilty to: two such traffic violations within an 18-month period; three or more such traffic violations within a 36-month period; or exceeding the lawful speed limit by more than 15 miles per hour.
- You have had only one accident if we have insured the auto for a period of at least five years immediately preceding the renewal date.

We will mail any cancellation or non-renewal notice to you at your address shown on the Policy Declarations. Our mailing the notice of cancellation or non-renewal to you will be deemed proof of notice. A refund, if due, will be proportional to the time your policy has been in effect, but cancellation will be effective even though the refund is not made immediately.

- If you cancel, we will mail the unearned portion of any premium paid within 30 days after the effective date of cancellation or receipt of notice or request for cancellation, whichever is later.
- If we cancel, we will mail the unearned portion of any premium paid within 15 days after the effective date of cancellation.

If we mail a cancellation notice, after your policy has been in effect for 60 days, because you did not pay the required premium when due and you then tender payment by check, draft, electronic transaction, credit card or other remittance which is not honored upon presentation, your policy will terminate on the date and time shown on the cancellation notice and any notice we issue which waives the cancellation or reinstates coverage is void. This means that Allstate will not be liable under this policy for claims or damages after the date and time indicated on the cancellation notice.

Any unearned premium under \$5.00 will be refunded only upon your request.

In the event we determine that you have been charged an incorrect premium for coverage requested in your application for insurance, we shall immediately mail you notice of any additional premium due us. If within 15 days of the notice of additional premium due (or a longer time period as specified in the notice), you fail to either:

- pay the additional premium and maintain this policy in full force under its original terms; or
- cancel this policy and demand a refund of any unearned premium;

then this policy shall be cancelled effective 15 days from the date of the notice (or a longer time period as specified in the notice).

How Auto Policies Are Surcharged

Listed below are the different surcharges we use to calculate your auto insurance premium in certain special cases:

- **Certified Risk Surcharge**—We will apply a surcharge to Bodily Injury Liability, Property Damage Liability, and Personal Injury Protection coverages because of certain risks, for which an insured person is required to complete and file either an "Owner's Certificate to Cover the Described Automobile Only" or an "Operator's Certificate to Cover the Operation of Any Automobile."

These certificates are usually required for risks such as past convictions of driving under the influence of drugs or alcohol, leaving the scene of an accident, homicide or assault with an auto, speeding, or reckless driving.

If you have any question about whether your policy has been surcharged, or about any surcharges made to your policy, please contact your Allstate Agent.

Other Allstate Companies also offer automobile insurance—giving you additional protection options

We want to make sure you know that automobile insurance is available from different Allstate-branded companies—each with its own mix of price and coverage options. Although your current policy is with Allstate Property and Casualty Insurance Company, automobile coverage from another Allstate-branded company can differ from your current policy in a number of ways, including:

- Price
- Coverage
- Features
- Discounts

Things To Consider When Comparing Insurance Policies

When comparing different policies, you may want to consider the following:

- **Price** – While another company may offer a lower premium today, the premium could change in the future. Be sure to consider this.
- **Policy Features and Benefits** – Some of the policy features and benefits that your current policy has may not be available or carry over to the new company. Also, the new policy might not provide the same level of benefits as your current policy. And if you leave Allstate Property and Casualty Insurance Company, you will not be able to return to that company or get the same rate.

Important Information About Uninsured Motorists Coverage–Coverage ST

Please refer to the Uninsured Motorists Coverage–Coverage ST limits on the attached Policy Declarations. And please read the information below regarding Uninsured Motorists Coverage to determine if you have the type of coverage you want.

What Does Coverage ST Offer?

Uninsured Motorists Coverage–Coverage ST provides protection, subject to the terms and conditions of your policy, for bodily injury sustained in an accident caused by the driver of an uninsured motor vehicle which includes:

- Motor Vehicles with no liability insurance in effect at the time of the accident,
- Hit-and-run motor vehicles,
- Motor vehicles insured by insurance companies that deny coverage,
- Motor vehicles insured by insurance companies that become insolvent within 4 years from the date of the accident (this coverage is excess over any obligations assumed by the Florida Insurance Guaranty Association to pay claims),
- An insured motor vehicle when the liability insurer thereof excludes liability coverage to a person who is not a member of your family whose operation of an insured vehicle results in injuries to you or a resident relative, and
- An underinsured motor vehicle which includes a motor vehicle whose liability limits are less than the amount of the damages the insured person is legally entitled to recover.

What Are Your Available Coverage ST Options?

1. You may select Uninsured Motorists Coverage in an amount equal to your limits for Bodily Injury Liability Coverage–Coverage AA.
2. You may select Uninsured Motorists limits which are lower than your Bodily Injury Liability limits.
3. Or, you may reject Uninsured Motorists Coverage.

Non-Stacked and Stacked Coverage Options

Your Policy Declarations show whether you have non-stacked or stacked Uninsured Motorists Coverage.

With non-stacked coverage, your Coverage ST limits (if any) will not be added together to pay for damages you sustain in an accident. Therefore, if you are injured in a vehicle insured under your policy, Coverage ST provides you with protection only to the extent of your coverage limits shown on your Policy Declarations for that vehicle. If you are injured in someone else's vehicle, or you are struck as a pedestrian, you may select the highest limits for Coverage ST available on any one vehicle insured under your policy. You pay a reduced rate for non-stacked coverage compared to stacked coverage.

With stacked coverage, your Coverage ST limits for each vehicle insured under your policy are added together (stacked)

Policy number: **988 300 007**
Policy effective date: November 24, 2020

to pay for damages you sustain in an accident. Thus, the Coverage ST limits available to you would automatically change during the policy period if you increase or decrease the number of autos insured under your policy.

Please contact your Allstate agent if you would like to change any of your coverage options or if you have any questions about Uninsured Motorists Coverage. Your Allstate agent can help you determine what coverages are available so you can select the coverage of your choice.

State-Required Information Regarding Mandatory Insurance Coverage

This notice is being provided for your information only. It's important that you understand what will happen if your auto policy is cancelled or non-renewed, or if you let your coverage lapse. If you have any questions after reading this notice, please do not hesitate to contact your agent.

We are obligated by law to report the cancellation or non-renewal of any auto policy which provides personal injury protection benefits to the Florida Department of Highway Safety and Motor Vehicles. If you fail to maintain personal injury protection and property damage liability insurance on a motor vehicle when required by law, you may lose your registration and driving privileges in the state.

If your registration and driving privileges are suspended, you may reinstate them by obtaining an auto insurance policy which includes personal injury protection coverage and property damage liability insurance, as required by law, and paying a nonrefundable reinstatement fee of \$150.00. This fee will increase to \$250.00 for a second reinstatement, and to \$500.00 for each reinstatement after the second during the three years following the first reinstatement.

The coverages and the coverage limits currently provided by your policy are listed on the enclosed Policy Declarations. Please review your coverage information, and if you have any questions about your policy or your insurance coverage in general, please contact your agent.

You May Request That We Reorder Your Credit Report

Like many insurance companies, when we consider your eligibility for coverage, we review your credit report and base your premium partly on this information.

We reorder your credit report(s) every two years, but if you would like us to use updated credit information to determine your premium, you can request that we order it sooner.

The rate for your premium will only decrease or remain the same if we reorder your credit report. If your credit history has improved, we will adjust your premium. Please be aware that, depending on when you request a credit reorder, we may not be able to apply any premium change to this policy renewal; if so, it will take effect at your next policy renewal. Several factors, including any policy changes you might make, can also affect the amount of your premium.

You can learn more by visiting allstate.com. If you'd like us to use updated credit information to determine your premium, please call your agent.

X67520-2

An update to your Policy Declarations

Our records indicate that you recently received your Policy Declarations, which may not have included a countersignature that is required by state law. We want to assure you that we have corrected this issue and your Policy Declarations now include this requirement.

Please know your premium and policy were not affected in any way by this issue.

Thank you again for choosing **Allstate**. We appreciate your business.
